AUDITION FORMAT

Each applicant will participate in a singing, acting, and dancing audition. Applicants should report to the theater 30 minutes before auditions begin for registration, headshot, and orientation.

Singing auditions will include a vocal performance between one and three minutes long, a capella or with a soundtrack provided in advance on CD or iPod/iPhone.

Acting auditions will be cold reads from selections of the script chosen by the director, alone and in groups assigned by the director and casting committee.

Dance auditions will include a basic dance selection from the show that will be taught at auditions then performed in a group. Don't worry, it'll be fun!

Any applicant may audition at any of the three sessions, and may attend multiple sessions if they so desire.
